"THE CENTER OF SUMMER GOLF"

Mr. H. J. Whigham in his article "The Ideal Golf Links,"
in Scribners for May, has this
to say, "There are a few Golfers in the Country who have
steadily set themselves to
keep up the real standard,
like Mr. Herbert Leeds, who
I believe is responsible not
only for Myopia but for the
Nine-hole course at Bar Harbor and the winter course at
Alken. There is an excellent
inland course at

and there is Garden City, which lately has been much improved. When one has mentioned these, one has included practically all the links in the Country which approach in interest and quality the best courses abroad"
